Description

This fantastic, refurbished first sea line villa was completed in March 2018 and is ready to move in immediately.

As soon as you enter the house you are simply blown away by the breathtaking sea view. This amazing ocean view is breathtaking from the living area, as well as from the kitchen and the upper bedrooms.

On the ground floor there is a spacious living / dining area with open kitchen and adjoining pantry, 1 bedroom with bathroom and a sep. Entrance, which can be used for guests or staff, technical room and large garage with direct access to the house.

The spacious terraces are partly covered and in the great infinity pool you have the feeling to swim in the sea.

In the upper area there is 1 large master bedroom with dressing area and large bathroom en suite and on the opposite side 3 further bedrooms each with en suite bathroom.

The object captivates by a modern and minimalist architectural style, which has been implemented with much coziness and elegance.
