Description

Pedro Otzoup fans watch out! Here is once again a very special property in an Otzoup residential complex and of course with wonderful sea views.

The complex has 44 units and a great pool area with sea view.

The penthouse has in the entrance area a living room with adjoining dining room from which you could also make a 3rd bedroom, a kitchen which is 7 steps higher and on this level then also 1 bedroom and a bathroom. Another 7 steps higher is another bedroom with bathroom and a great roof terrace with stunning sea views.

The south-west orientation also guarantees fantastic sunsets.

The penthouse is accessible via 73 steps. No problem for a Otzoup fan. Shopping and suitcases can be transported directly to the penthouse with a freight elevator.

Location

Port Andratx is probably one of the most beautiful ports in the southwest of Mallorca. The old fishing port has developed into an international and elegant mile and yet lost nothing of its originality. Here is something for every taste. Shopping in noble boutiques, excellent fish restaurants and hip bars. The harbor itself is surrounded by mountains with noble villa quarters and fantastic sea views.

Furnishing description

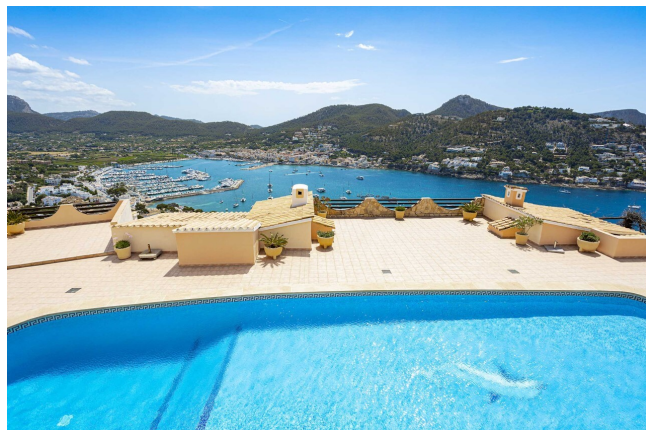

Comm. .costs: 290 € incl. water, air conditioning c/w, community pool, freight elevator.
