Description

Semi-detached house built in 2009 with wonderful wide mountain views to the sea.

The house is built in traditional finca style and is very private and quiet. The garden is planted mediterranean but easy to maintain and has various sun and shade places around the 23 m2 pool.

On the 1st floor there are 3 bedrooms and 2 bathrooms, 1 en suite from which you can look to the sea.

On the first floor there is a guest toilet, a large eat-in kitchen and an open living/dining area with fireplace and exit to the covered terrace and garden/pool.

The house has a full basement and still has the possibility to build a guest apartment or a gym/sauna. In the basement is currently still a modern wine cellar including ventilation.
